SNR 15	The NVR registered training organisation provides quality training and assessment across all of its operations, as follows:
15.1	The NVR registered training organisation collects, analyses, and acts on relevant data for continuous improvement of training and assessment.
Original finding:	Compliant
Following rectification:	n/a
15.2	Strategies for training and assessment meet the requirements of the relevant Training Package or VET accredited course and have been developed through effective consultation with industry.
Original finding:	Compliant
Following rectification:	n/a
15.3	Staff, facilities, equipment and training and assessment materials used by the NVR registered training organisation are consistent with the requirements of the Training Package or VET accredited course and the NVR registered training organisation's own training and assessment strategies and are developed through effective consultation with industry.
Original finding:	Not compliant
Following rectification:	Compliant
<i>Reasons for finding of non-compliance:</i>	
<ul style="list-style-type: none">• Assessment materials used by the NVR registered training organisation do not meet with the requirements of the training package as identified elsewhere in the report	
<i>In order to become compliant, the organisation is required to:</i>	
<ul style="list-style-type: none">• The organisation is not required to submit rectification evidence to address this standard; however, it is required to submit rectification evidence to address the non-compliances identified across the other Standards. Should the rectification evidence received be determined compliant, the organisation will be compliant with this standard	
<i>Analysis of rectification evidence:</i>	
<ul style="list-style-type: none">• The organisation submitted compliant rectification evidence to address the non-compliances identified across the other Standards.	
15.4	Training and assessment is delivered by trainers and assessors who: (a) have the necessary training and assessment competencies as determined by the National Skills Standards Council or its successors; and (b) have the relevant vocational competencies at least to the level being delivered or assessed; and (c) can demonstrate current industry skills directly relevant to the training/assessment being undertaken; and (d) continue to develop their vocational education and training (VET) knowledge and skills as well as their industry currency and trainer/assessor competence.
Original finding:	Compliant
Following rectification:	n/a

15.5 Assessment including Recognition of Prior Learning (RPL):
(a) meets the requirements of the relevant Training Package or VET accredited course; and
(b) is conducted in accordance with the principles of assessment and the rules of evidence; and
(c) meets workplace and, where relevant, regulatory requirements; and
(d) is systematically validated.

Original finding: Not compliant

Following rectification: Compliant

Reasons for finding of non-compliance:

AHC30110 Certificate III in Agriculture
AHCLSK411A Supervise natural mating of livestock
AHCAGB401A Implement and monitor a property improvement plan

- The assessment materials provided did not support that assessment would be conducted in accordance with the principles of assessment and the rules of evidence 15.5b, as currently
 - The practical assessment observation tool used for the above units does not define criteria for acceptable levels of performance to ensure assessment judgements are consistent across a range of assessors and learners.
 - Furthermore, the practical assessment observation tool used by the trainer and assessor is titled third party report. Instructions on the document clearly outline that the report is to be completed by the trainer assessor or work place supervisor. The organisation stated that this was an error and only the trainer and assessor uses the form. A review of student files confirms this.

In order to become compliant, the organisation is required to:

- Provide an amended practical assessment observation tool used for the above units that clearly defines criteria for acceptable levels of performance and ensures that the assessment would be conducted in accordance with the principles of assessment and the rules of evidence.
- Provide an amended practical assessment observation tool with the correct instructions for use.

Analysis of rectification evidence:

- The organisation provided an amended practical assessment observation tool used for the above units that clearly defines criteria for acceptable levels of performance and ensures that the assessment would be conducted in accordance with the principles of assessment and the rules of evidence.
- The organisation provided an amended practical assessment observation tool with the correct instructions for use.
