QLD Certificate 3 Guarantee Program 2020-21

Certificate 3 Guarantee program is funded by the *Queensland Government* and supports eligible individuals to complete their first post-school certificate III level qualification and increase their skills to move into employment, re-enter the workforce or advance their career.

The program also supports school students to access training and Queensland's Year 12 graduates to transition to employment by providing free training in high priority qualifications.

It is important that you choose the right course for you to take full advantage of the program as you can only access this subsidised training **once**.

As a condition of your enrolment, you will be required to complete a student training and employment survey within three months of finishing or discontinuing your training.

Who is eligible to receive training?

To be eligible, individuals must:

- be aged 15 years or over and no longer at school
- permanently reside in Queensland
- be an Australian citizen, Australian permanent resident (includes humanitarian entrant), temporary resident with the necessary visa and work permits on the pathway to permanent residency, or a New Zealand citizen
- not hold, and not be enrolled in, a certificate III or higher-level qualification, not including qualifications completed at school and foundation skills training
- You must be an existing worker in the industry to be eligible to enrol
